MEMORANDUM FOR:

Project Travel Section

SUBJECT:

Far East Trips

1. On further reflection I do not believe it is possible for me to get away to the Far East immediately following my California trip. Would you, therefore, cancel the reservation from Seattle on 23 July.

2. On the other hand, it seems highly likely that we will wish to send a team out at the end of next week. Accordingly, the reservations, which I assume are for several people, for a 27 July departure should be retained.
